TOWER B - now open for sale

Salient Features

- Developed amidst dense foliage of **Gwal Pahari on the Gurgaon-Faridabad Expressway**, surrounded by the non buildable Delhi ridge on one side and protected Aravali forest on the other.
- Designed by **one of the foremost architects in the world, Soo Chian** of Singapore based, multiple International Design Award Winning, SCDA.
- The design intent is focused on providing a sanctuary of peaceful living, be it indoors or outdoors.
- **6 strategically orientated towers** designed to minimize apartments overlooking each other and to maximize outward views as well as taking advantage of the internal view corridors.
- Very low density development having **only 268 exclusive premium residences** comprising of 3 and 4 BHK units and 5 BHK Pent Houses. Only two apartments per floor.
- All units are privileged with panoramic views of the surrounding protected biosphere.
- Upon arrival into the estate, the **sunken ring road keeps internal vehicular flow out-of-sight**, reduce vehicular noise, while providing easy access to designated drop-off points.
- **Fully furnished and air-conditioned grand 3000 sq.ft. entry lounge for each tower** with majestic ceiling height of 20' amidst tastefully done up landscape spaces featuring shimmering shallow pool and green foliage.

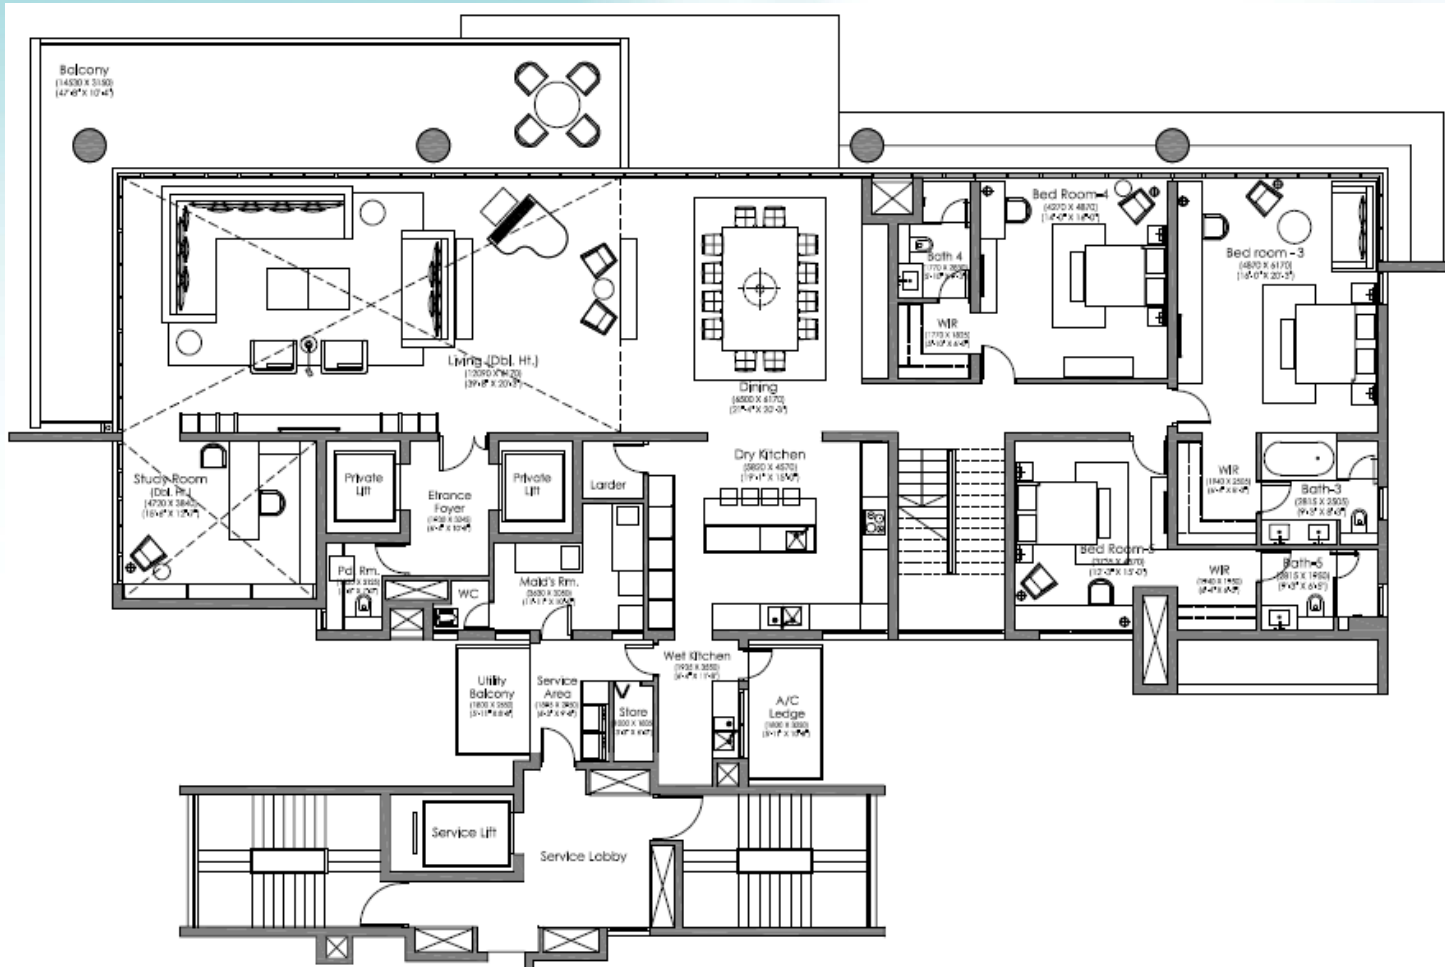

Salient Features

- **Access controlled, high speed and air conditioned passenger elevators** leading straight from entrance lounge to private foyers at apartments above.
- The towers have **full-frontage double glazed curtain wall facades**, both for maximizing views as well as for flexibility of space planning within.
- **Floor to Floor height of 12 feet** providing maximum flexibility for ceiling design and service run.
- **Double volume living room** in 4 and 5 BHK units.
- 12' wide **generous unit balcony offering for the ultimate alfresco experience** and panoramic view of the city.
- Pavilions and gazebos for open air sit out and community activities.
- **Covered walkways** facilitating movement within the development without exposure to weather extremes.
- The **fully equipped clubhouse comes with a roof top infinity pool and much more.** Teeming with activities, users take pleasure in the pool side views.
